# UNCLOGGABLE ROOF GUARD

## #66298PK

*Eliminates standing water on rooftops!*

- Increases surface area by up to 5x or more, making it virtually uncloggable.
- Replaces any roof drain dome strainer up to 15" in diameter.
- Removable top allows easy access to drain and piping without detaching Roof Guard.
- Installation is fast, simple, and requires no tools.
- Adhesive is included.
