SHIFT and LIFT

Universal Water Closet Carrier Offset Kit

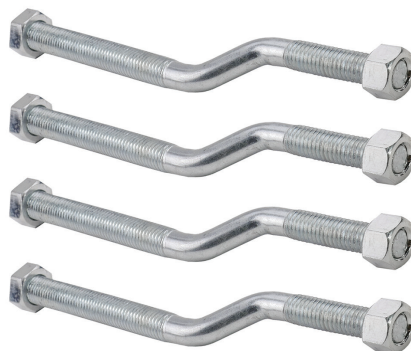

Offset the Fixture Without Tearing Out the Carrier!

Do you need to move or raise your wall hung toilets to be ADA compliant, create more clearance in a partition stall, or to correct other mistakes? Now you can make those adjustments without tearing into the wall or ripping out the carrier. With a coupling and bolts that are offset by 1/2", 3/4" or 1", the Shift and Lift will save you hundreds or even thousands of dollars in renovations!

Supports up to 500 lbs
