- Designed with no pinch points
- Made of Type 304 stainless steel
- 800 lb. capacity
- 5 year warranty

a big step for little feet™

Shopping with kids can be a major hassle. Lifting and holding them at the restroom sink while trying to keep an eye on other children or bags just adds to an already stressful situation. With the **Step-n-Wash**, parents never have to lift their children to wash again. It is a very safe and cost effective way to eliminate the struggle of lifting a 30 or 40 pound child to reach the lavatory. **Step-n-Wash** is utilized more often than diaper changing tables. Don't fall behind your competitors who are already using the Step-n-Wash. Call Equiparts today! Your customers will thank you.
